Accent Keys

- The GRAVE key is the low tone accent ` , as in à è ì ò ù.
- The SHIFT+GRAVE key is the low-nasal accent ̀ as in à è ò.
- The LEFT-BRACKET key is the nasal accent ̣ as in ạ ẹ ọ.
- The SHIFT+LEFT-BRACKET key is the circumflex accent ^ as in â ê ô.
- The RIGHT-BRACKET key is the high-nasal accent ̆ as in á é ó.
- The SHIFT+RIGHT-BRACKET key is the háček accent ˇ as in ř ě ů.
- The SLASH key is the high tone accent ´ as in á é í ó ú.
- The equals key is the underline accent. The underlined characters dz, s, ts, and z can also be typed using the RIGHT-ALT key, so that RIGHT-ALT+t is ts and RIGHT-ALT+D is Dz. All caps TS and DZ must be typed using the equals key.
- Where punctuation keys have been remapped, it is possible to access the original value of the key by holding down the RIGHT-ALT key, for example, RIGHT-ALT+[is [.

Symbols used in Beaver linguistics

æ : Right-Alt a, ə : Right-Alt e, ɪ : Right-Alt i, ʊ : Right-Alt u, ^y : Right-Alt y
