Notes

- Accents are typed after the base character: ***ą*** is typed **a** then **Slash /**
- To type the acute accent ´ use the **Slash key /** — ***é*** is typed **e** then **/**
- All changed punctuation can type their original value by holding down the **Right-Alt** or **Option key**. The ***Slash /*** is typed **Right-Alt+Slash** (Windows) **Option+Slash** (Mac).
- Opening and closing quotes. For Mac users, Right-Alt is either of the Option Keys.
  - single: ‘ Grave (Backquote) — ’ Apostrophe
  - double: “ Shift+Hyphen — ” Shift+Equals
  - single ‹ Right-Alt+Shift+9 — › Right-Alt+Shift+0
  - double « Right-Alt+9 — » Right-Alt+0 ɪo̅ a
